

Living God's Love

A Lent Course for Schools

Lent is often a time to give something up, such as chocolate, or cut down on something, such as spending too much time playing on the X-Box. Lent may also be a time for developing good spiritual habits. One of the best spiritual habits is reading the Bible every day. These resources may help schools do this. Reading Bible passages for Lent in school worship or in the classroom takes a little planning, but it is well worth the effort, because it helps children develop a familiarity with the Bible to help them come to a deeper understanding of what Lent means to Christians.

Choose the right Bible

Choose a translation of the Bible that is age-appropriate for your children. Younger children might be more comfortable with the language of a modern translation, such as a Lion Children's Bible, the New International Children's Bible or Good News Bible. It can be good, however, to explore the richness of other translations, such as the King James Version, which celebrates its 400th anniversary this year.

When does Lent start?

Lent is the period of preparation for the celebration of the greatest Christian mystery - the death of Christ on Good Friday and his Resurrection on Easter Sunday. It is a 40-day period marked by **prayer**, **fasting** and **helping others** (amongst other things). Since Easter Sunday is a **moveable feast**, Lent also begins on a different date each year. **Ash Wednesday**, the first day of Lent in the Western calendar, falls 46 days before Easter Sunday. In 2011, Ash Wednesday falls on 9 March.

Frequently Asked Questions

Why is it called Ash Wednesday?

Ashes are something that are left when something is burned. For **Christians**, ashes are a symbol of being sorry for things they have done wrong and want to get rid of forever. It is also a reminder that we all come from ashes, and to ashes we all will return.

Why are ashes marked on the forehead?

For Christians, the marking on the forehead with ash marks the commitment to Jesus Christ and God. Christians want to show God that they were sorry for the wrong things they have done in the past year. Using a mark on the forehead as a sign of commitment is also used in many Middle Eastern cultures where a round, coloured circle is marked on the forehead.

What happens on Ash Wednesday across the world?

Many Christians will attend a religious service where the ashes are blessed by the church leader, and placed on their forehead.

A Lent Course

An excellent way to focus our thoughts and deepen our understanding of the meaning of **Lent** is to turn to the Bible. Sometimes, however, it is hard to know where to start. A **Bishops' Lent Course** for parish group study has been written by the Bishop of St Albans and the Bishop of Bedford, and the Children's Work Advisers have written a Lent course for parish families:

http://www.livinggodslove.org/living_gods_love/lent/families_lent_challenge/. These are under the Living God's Love challenge and explore the three themes Going Deeper into God, Transforming Communities and Making New Disciples. The courses cover six weeks. Schools can also prepare a Lenten Course by looking at the following Bible passages and using the prayers from the parish family course:

Practical ideas - A Lenten Cross

Like the Jesse Tree, a Lenten Cross can be made of many materials. Some options are: a banner with Velcro dots for fastening, a wooden cross with small nails or hooks, or a laminated cardboard poster with re-useable sticky putty.
