Item	Point Raised / Action Taken	Person(s) responsible
1. Apologies / Introductions	Judy Ruff, Robin Rice Welcome to Angie Wright from Abbey Middle School	
2. Minutes of the last meeting	Both local authorities will be represented at the SACRE training in November	
3. AGM feedback	<p>Carrie felt certain points were very good. He was clearly a very intelligent man and an excellent speaker. It was good to have such high numbers. 38 people attended the meal and talk in the end.</p> <p>Next year?!... People in middle schools would like subject knowledge. Jane suggested that would be better for a training session. APP (assessing pupil progress) is also needed.</p> <p>Assessment with Sue Ward? 28th Sept or 5th Oct 2010?</p> <p>It has been suggested that we should have food earlier and start the talk at 6:30-45. The talk can then start earlier and last for longer with people getting home at a reasonable time.</p>	Jane to look into booking it
4. Finance report	£1864.74, but the AGM fees are yet to be deducted	
5. Events	The AGM would be good if it is on assessment. It seems that people	

	<p>would prefer support evenings relating to the Agreed Syllabus rather than visits. Shall we run one in the Spring and one in the Summer? Could Cath Large do one at Shefford middle on 11th March? – Earth, God and the Universe A venue for the other is more problematic. w/b 7th June? – Religious Symbols. We could combine it with a book Fair too.</p>	
6. Newsletter	<p>Robin – something on the RE Soc not changing Carrie – introductions AGM review...by Biddenham Something from Judy? By 23rd Oct</p>	Robin Carrie
7. AOB	<p>Carrie needs the address for resources from the Beds RE website. Assessment info is needed for Beecham middle school. We do need a middle school network. Could Potton host? The head of St Thomas Moore would like to set up an event helping students to reflect on inter-faith communities</p>	Tina to liaise?
8. Date of next meeting	4.2.2010
